

Marshall Frick

Marshall,

Well here it is the end of another year. I guess I'm kinda sorry to see it end. Because when I look back on everything we have done together and meant to each other it makes me never want to see it end. You have really made this year something special to me. The way you took care of me, looked after me but most of all how you loved me. I hope that when you look back on your sophomore year I hope you will remember me. I know there is a lot to look back on, like your water polo, and all your girlfriends but I hope maybe I will stand out above the rest.

Well we made it through to the end of the year despite all the arguments

and heartships, but I guess those things happen with everyone. But maybe this time our love will keep us together forever. If not it was never really love at all but only words that we said to warm each others hearts. But I do love you.

You are a very sweet person, if you don't let your friends influence you too much. You always seemed to really care about me that is one thing I will treasure always.

Well good luck next year being Boys League President, and in sports (whatever you decide to do).

I LOVE YOU

always,
Julie

To my brother Marshall,

Your friendship this year, has meant a lot to me! We've had some bad times together, but all the good ones out weigh them. You'll never know how much I needed you to talk to. Your shoulder was always there waiting for me. Remember the advice you gave me concerning Chester? Well, I took it, and it proved out to be alright. Even though I don't always agree with the things you say, my love for you isn't any less. I hope when Julie reads this, she will believe me when I say that I love you in a different way than she does. A way that could never take the place of her. Frickie, please feel free to come and see me, when you need to, and even.

Marshall,

This year has really been fun I think you will agree with me at times you are a burger but a sweet one. Have fun this summer but all I can say is that you best come over. I & you ever get in a super neighbor loving mood why don't you come over and take a look. Don't forget to be good.

Love always,
Peggy Parks

Don't on 14

You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God, whatever you conceive him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul.

Desiderata

Marshall, this year has really gone by fast and I really can't say I've enjoyed it. It was super hard on me, having to move away from the people I knew and loved, but people like you made it a lot easier. It made me happy to know that some didn't forget. It's really been fun on the weekends, going to Pizza Hut and stuff. I hope it never ends.

Well I'll ^{sorry} probably be seeing you soon, so until then take care and keep smiling. 😊

love always,
Lory

P.S. I hope your year comes in handy!

"As President, I noticed that the student body has succeeded in taking strides towards involving all of us together in school activities. We have become aware of the fact that mere criticism of past policies has no relevance unless along with it we have fresh

and new ideas. The era of partisan and biased groups is growing to a close. We must all strive to be intellectual individuals. Student involvement and interest is the first step before becoming self governing. We have begun to take this step."

"As Student Body President I have a lot of respect for my job. I respect all the people with whom I work daily. Although I'm going to be president for only four months, I still will try to do whatever I can to help the entire student body. I would like to see music in the lunch area and a way to solve the smoking on campus. I hope we can close the gap between Student Government and the student body. One of the most important things I try to express is my thanks to everyone for giving me honor and respect. I want everyone to remember that although my office is higher than anyone else is on this campus, we're all equal. We must remain as brothers and sisters. Peace and Power to the People — "

Seppo Kallio

I am from Inadra, located in the southeastern part of Finland. Inadra has a population of 36,000.

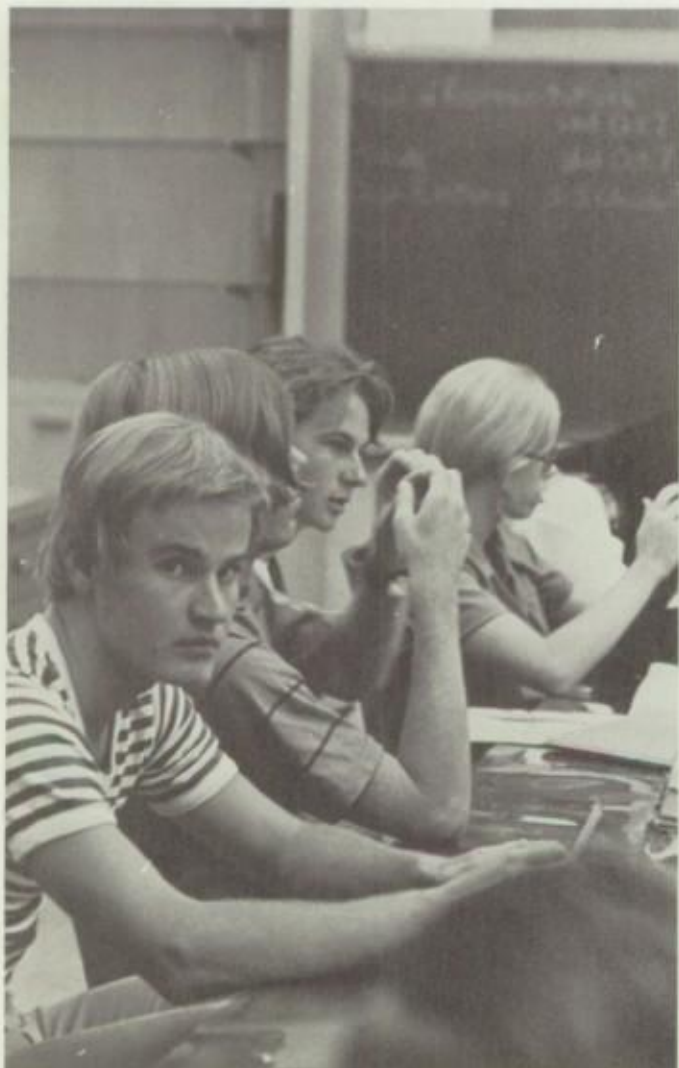

School in Finland is quite different from Jordan. We don't have any separated junior and senior high schools. There are 1250 students attending my school whose ages range from 10 to 19.

I especially like the warm winter weather here. In my hometown we have a lot of snow in the winter. Sports are also different in a Finish high school. We don't pay much attention to sports; however, I like football.

Jordan is a nice school. The students are nice, and I am really enjoying my year here.

Trailblazer

Trailblazer staff members must have a good academic average and pass an interview with the previous staff to be chosen. Section editors cover campus activities of sophomores, juniors, seniors and faculty members through the use of creative layouts and pictures.

Staff members create and choose the design, texture and color of the cover, the theme, the way the pictures are posed, the design of the layout, the captions, the type of print used, and the texture of the paper. They are also in charge of selling ads and yearbooks.

New staff positions are announced by the present editors at the annual banquet held in the spring. Certificates of merit are given to staff members in recognition of work done by them throughout the year.

Health Service

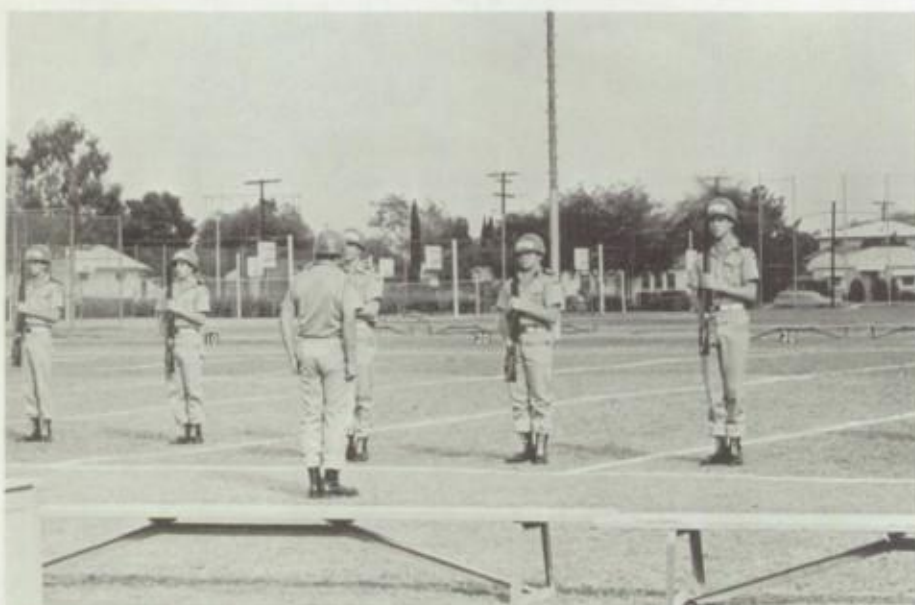

Health Service is offered for people interested in hospital work. Students, on completing the course, are qualified to get jobs as nurses' aides. Two hours a day of classroom time is spent in a mock hospital situation. Second semester aides work in wards with patients. Students learn how to bathe patients, make beds, and assist patients in moving.

Campus Memories

Frick,
 I don't want to like the same ole bull so ---; but seriously you
 have been one of the funniest persons I know. I hope I've been a
 good friend to you. Some care for you just as a friend, but I
 care for you more, I care for your soul. Jesus is constantly
 knocking on your heart and soul. If you ask him in, he'll
 actually come inside. He'll change your life like you
 can't believe. I hope this doesn't go in one ear and out the
 other. Jesus wants to live inside you. Love ya as a brother

Words: Paul Williams and
Music: Roger Nichols

We gaze back and view at a time past,
 A time we will see now only in our minds.
 We shall tarry no longer for there is still tomorrow.
 Perhaps tomorrow will be better?
 Our memories will never be blank,
 For we can look back and feel contented
 by their passing;
 For there is yet tomorrow.

Patterns of happiness

here i am with my weird smiles as usual. saw your van the other day it's real nice. Be good and sweet to people because you'll get the same back. never take people for granted as they turn so quick. Be careful with the law and have a nice, healthy, summer.

I (your mom)
love,
sue chandler

Our patterns of happiness go all
different ways
To bring us bad and good days.
Some days aren't the best but can
always be changed.
If you feel the need for them to
be rearranged,
Life will seem easy
If you keep yourself busy
Trying to make vital
The gift of the smile.

Marshall,

It sure has gone
fast this year, I
wonder where it
all went! Have
a boss summer
& behave yourself
You're really a
boss guy & I hope
I see you next
year.

Many people feel that football is a game in which you have to win. This year's football team won in a different way. Instead of just building bodies, the coaches instilled in our players new morals, stronger character and a greater respect for discipline. The 1970-71 football team will emerge a winner with a different outlook on life.

JV's this year were plagued with injuries. Even though the season didn't turn out the way they expected, the team played with lots of spirit and spunk. Coach Johnson sees a lot of prospects in the JV line. Jordan's 1970 JV's are made up of mostly sophomores. With this year of experience, Coach Johnson looks forward to a great year in 1971.

After a very frustrating pre-league season when all four games were lost by an average of one touch-down per game, the Jordan Bee's came alive when Moore League competition began. The team had their finest finish in years, second place behind Millikan with a 4 win, 1 loss record.

As in the past, the Bee team will again send to the varsity some outstanding football players next year, including Randy James, Charles Parks, Ron Swets, Don Framback, Bob Bennett and Kurt Madden. 1970 turned out to be a most exciting year for the Jordan Bee's.

"It's great, it's just great," said coach Len Stewart as he greeted a stream of well-wishers on the Jordan High field Friday night. "It's been a long time." This was the statement in the Long Beach I-PT Saturday morning. What happened Friday night was fantastic!

With the students backing the Varsity football team, Jordan claimed its first Moore League win over Poly since 1957 when the Moore League was founded and the first league win in 3 years.

Poly took a quick 14-3 lead in the first half, but Eggers, George, Kellogg, and the penalty flags killed the Poly rabbits in the second half. With the last minute running the Varsity got the power, and Kellogg put Jordan back on the road to success.

1970

Cross Country

1970 proved to be a tough year for the Varsity Cross Country team. An 0-5 record gave the Panthers a last place finish as they moved out of Moore League. Senior Ed Jones succeeded in salvaging one award: 10th Place in the League Finals. The season's high points came on September 25 and 26. The team's sole victory at the expense of Compton was led by Jones and juniors Dale Grant and John Clifton. Grant came back the following day to place twelfth in the Corona Del Mar Invitational to lead Jordan to a fifth place finish.

The 1970 Panther JV Cross Country team came up with some exciting moments during the long season. They were led by senior Joe Donohue, junior Rodney Berg and sophomore Jeff Preijers, who finished fifth in the Moore League Finals. The team on a whole did well in league competition. Other honorable mentions include Bob Ryland, Kim Baker, Paul Wagner, and Kit Malone.

Led by no returning letterman for the 1970 year the Varsity Water Polo team fought hard for rank in the Moore League. One of the better games of the year was the 12-8 victory over Kennedy High in the final minutes of the fourth quarter. A large portion of the Varsity team are graduating seniors. They are: Don Bair, Scott Mays, Todd Perrin, Frank Valles, and Frank Root. The 1971-72 team will be strong with returning junior lettermen Russ Padia, Ken Reed, Lee Johnson, Jeff Bently, and Joe Miller. With a strong B team to back the five lettermen the Moore League better prepare itself.

1971 Track and Field

Tim Barbee hands to Harold Eggers in the 440 relay.

Varsity

Jordan's 1971 track team had a very successful pre-League season, winning 3 and losing 1. The team lacks depth in some events, and this hurt in Moore League competition. 1971 did see some outstanding individual performers.

In the sprints and hurdles, Donny Jones ranked as one of the finest in Long Beach and Harold Eggers as an all around competitor. Cam Lakin, Ed Jones, and junior Dale Grant paced the distance runners. Don Pevey and Randy Carpenter gained many points in the shot put. Junior, Keith Kelly was one of the best high jumpers, and Gerry Ford led the pole vaulters. The outlook for 1972 is good with some outstanding juniors and fine sophomores.

Paul Jennison strains hard in the hurdles.

The Bee team was 3-1 in pre-league, and the season will prove to be competitive in the Moore League. Some outstanding young performers make the outlook bright.

The sprints and hurdles were led by seniors Jerry Vaughn and Paul Jennison. The distance pacers were led by senior, Steve Kulju and sophomores, Phil Tukua and Kip Baker. The field events were good with sophomore shot putter, Dean Gaither and high jumpers, Darryl Robinson and Richard Moore.

Eddie Lopez tries his best for a first.

The varsity squad, hindered by a lack of players, put up a good showing this year. Key assets to the 1970-71 team were returning lettermen: Rich Goodlad, John Wilkinson, Ken Cortnik, Bert Gardiner, and Craig Crosby. Rich Goodlad, wrestling at 235 took first place at the Bolsa Grande tournament with fine showings from Ken Cortnik and John Wilkinson. Coach Lifshin foresees a good season in 1971-72.

Varsity

Jordan's varsity swim team led by seniors, Todd Perrin and Buzzy Parkhurst; and junior, Bruce Erickson held their own against the tough Moore League teams. The two bright spots in the 1971 season were the two triumphs over Bolsa Grande and Kennedy.

Bee's

Once again swimming is on the move at Jordan. The "B" team has passed all marks set for the young "71" season. They have won all meets and taken first place in the Valencia Relays and the Santa Fe Invitational. Their lone loss was at the hands of Lakewood. Being a predominantly underclassmen team, Coaches Timpone and Jones look forward to next year's challenges.

Cee's

Although small in numbers the Jordan "C" team has held its own by splitting the season record. Led by sophomore, Joe Gulley; and juniors, Dexter Williams, Steve White and Greg Wagner, the "C" team should give much needed strength next year.

Other "C" swimmers that deserve honorable mention include: Jim Brainard, Dan Inlow, Steve McCoy, Rick Nutt, David Schoonover, David Shank and Rick Vandruff.

Ken Reed — in the 100 Individual Medley

Bill Wilkinson — neck and neck with Lakewood.

Varsity Baseball

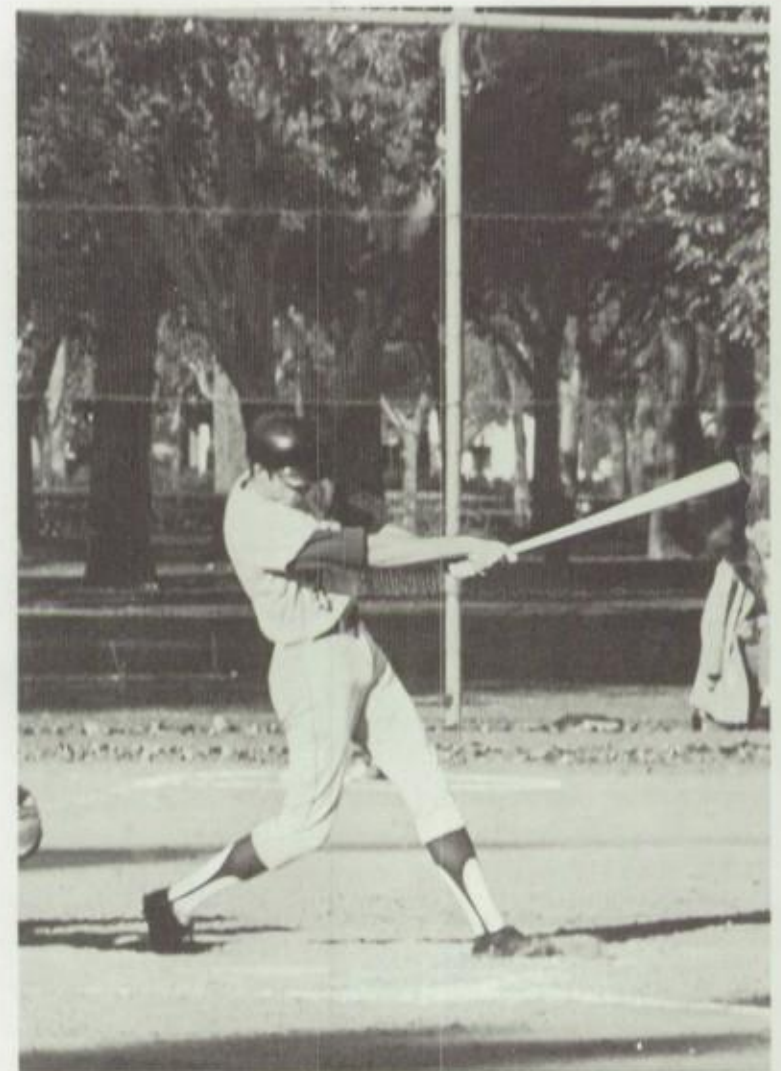

Varsity baseball, with the "power hitting" of Parkins, Stitzinger, Harmon, and Davis, looks very optimistic in being title contenders. After a 5-2 pre-season record, the team looked very impressive in beating Poly 18-6. Their defense looks great for the 1970-71 season.

teamwork.

With a 7-1-2 pre-league record, the varsity tennis team will be well prepared for the Moore League. Individual effort and hard work are going to be the keys to a Moore League championship. Jordan's 1971 netmen show the same enthusiasm and spirit held by last year's contenders who missed capturing the Moore League cup by one match.

Row 1: Coach Cook, R. Dale, S. Wilhelm, B. Ferguson, R. Griffith. Row 2: J. Hawkins, J. Harper, D. Daniels, D. Martin, R. Lilley.

Marshall,
It's been fun knowing you
this year. You're really a nice
guy stay that way **DON'T CHANGE!**
I hope to see you next
year.

Love,
-Δ- Maureen

Recorded in the pages of this book are moments of happiness, sorrow, expression, and results. They are moments shared by all and remembered by all. We on the Trailblazer staff have tried to capture each moment and restore it for you in all its reality.

We would also like to extend our gratitude to those who made this book possible: Morris Studio and Taylor Publishing Company, Jim Grubb, our photographer, for all his hard work and effort, and Marsha Mayfield for contributing the theme. A special thanks goes to Miss Kathie Poole, our advisor, for all her patience and cooperation.

Marshall,

It has been fun in Algebra. Copying, cheating ect. This is a year I'll never forget for several reasons!!! I really don't want this year to end but everything must end eventually I guess. I hope you play Water Polo so I can come and watch. (That way I'll have a reason for going to them ^(the games) and my FRIENDS can't say anything.) You're a very sweet guy stay that way, a little dirty minded but who isn't these days!!! Anyway I wouldn't have any reason to love you if you were somebody else so... Be good come and see me anytime. Restrictions relax in the summer. (So you could come by later than usual.) (Shock)
I love you,
Shelly
